

**CAPWVOI**

The logo for CAPWVOI consists of the letters 'C', 'A', 'P', 'V', 'V', 'O', and 'I' in a bold, dark blue sans-serif font. The first 'V' is replaced by a stylized human figure with arms raised, rendered in a lighter blue. The 'O' is replaced by a dark blue circle containing a white silhouette of the African continent. The background features a dark blue wavy border at the top and bottom.

**IMPROVE LIVING STANDARDS IN FAILING COMMUNITIES**

# Mission

**Building a more resilient society,  
One community at a time**

**Health awareness**

**Education**

**Community Cohesion**

1

Improving  
Community health  
standards

2

Raising Community  
health awareness

3

Improving Community education  
standards through access to  
learning resources and mentorship  
in education

4

Instilling good values  
and best practice  
through Community  
cohesion

**What does this mean in practice?**

**Health awareness**

**Education**

**Community Cohesion**

1

Improving  
Community health  
standards

We will provide mentee learning support by deploying improved standards of Community Health awareness through mentorship.

Our teams will provide access to digital learning portals for skills development.

Our teams will run training and hands-on coaching to support excellent levels of nursing care.

Our teams will install CAPWOI medical resource cupboards managed by CAPWOI staff to support Community health centres.

We will supply educational support by providing a learning centre and library accessible to the community.

---

We will empower the CAPWOI mentee to deliver study group support in the community.

---

We will fund education for impoverished and gifted students through the CAPWOI community scholarships program.

---

We will fund the personal and professional development of each CAPWOI mentee after key milestones are met.

Raising Community  
health awareness

2

3

Improving Community  
education standards through  
access to learning resources  
and mentorship in education

We will increase the community's opportunity to access top quality learning resources (books, pens, tablets, laptops, internet access etc.)

Teaching will be delivered through eLearning or online seminars run by professionals in the diaspora via a dedicated stable internet line.

We will deploy community learning materials and centres for tutoring with access to libraries (both traditional and online / eLearning).

Each CAPWOI mentee will be on a defined mentorship program run by professionals.  
We will work at providing globally certified learning paths.

Games room  
Football tournaments  
Film night  
Christmas Parties  
Other youth activity

We will share principles and best practices for small business management

We will deploy inspirational teaching material to help raise self-awareness and inspire hope for the future among the youth

We will deploy community cohesion programs for the children to encourage teamwork and embed values of honesty, truth and integrity. (Six Pillars of Character)

Instilling good values and best practice through Community cohesion
